Plasma TV on rent

For any major impact nothing beats the image on a plasma display than others! So we have the most popular plasma screen rentals from 42" and above. These are great for trade shows, conferences, weddings, corporate sales meetings displays or wherever, and you can plug in your laptop, DVD player or other device for great images.

Spot Video Mixing

With the immense expertise in this domain we are able to cater the quality spot mixing video services for the clients. In order to render our spot mixing service successfully, we have deployed skilled spot mixers, who are experts in the domain. These Spot mixers perform their job with excellence, offering utmost contentment to our clients and offer the best output in the field of spot mixing.

Video Photography

We also offer supreme quality Videography for all Functions to our clients. These services are aimed to capture marriage functions, birthday parties and all other important functions. These services are provided by High Definition Camcorders that give High definition video quality. We offer these services by highly experienced and skilled videographers.

Still Photography

With rich industrial experience we are able to provide Photography services. These photography services are executed using high end digital cameras that ensure its premium quality. Our highly experienced professional photographers have great acumen to provide quality photography services to the clients.

Crane & Trolley for Digital Photography

Cinematic wedding video is amazing experience. Cinema like shooting is done using Jimmy Jib(Crane), Steady Cam and multiple professional HD cameras. Also editing is done in such a way that your video becomes a Hollywood movie. Video is edited in HD editing system so that the resolution of video remains intact. Video is delivered in personalized BluRay disc (TrueHD 1080) or a DVD.

CANVAS Album Making

We are a leading service provider for the Canvas Album which includes services like professional Designing. Our Canvas Album designs are highly acclaimed by clients for its stylish look, flawless colors and impressive customized options. All these Canvas albums are made up of premium grade base material.

Indoor LED Screen

We provide mega wall display screen in managing mass display communications, Master of art display systems for events and advertising. We take pride in managing visual solutions for mega shows and red carpet events by providing mega walls and HD LED display services. Available size are 8ft x 10ft / 10ft x 13ft.

Projector on Rent

We provide LCD projector rental and portable projector screen rental to compliment our range of digital hire systems. A portable projector is an ideal audio visual aid where your laptop or computer is being used for presentations, exhibitions, training etc where more than one person needs to see it.

Small Sound System with Microphone

We can provide everything from simple small systems to big conferencing systems with full AV facilities, professional equipment through to live sound reinforcement including simple vocal sets ups to full outdoor festival systems. A wireless microphone is a microphone without a physical cable connecting it. We have UHF & VHF with long range performance.

Spot Photo ID Card and Image Printing

Using custom printed ID name badges for your conference or exhibition will help identify different visitor types and control access to your event. Increase the security with our additional features and use our card holders to attach your ID cards to a lanyard. We have the equipment and software for issuing ID card instantly in the event arena.

CCTV on Rent

Crime is on the rise - and the future prognosis does not lighten the picture. Our Lease and Rental CCTV Solutions should make this additional Crime Prevention Technology available to everyone. We offer CCTV to Rent Solutions for your trade shows, conferences, weddings, corporate sales meetings or any other event for short term basis. We also store the video in DVR and deliver it to client after completion of the event in pen drive.

Theme Party Design & Decoration

For any major impact nothing beats the image on a plasma display than others! So we have the most popular plasma screen rentals from 42" and above. These are great for trade shows, conferences, weddings etc.
